JP Morgan – 1 Rates Exotics & Hybrids Internship

Based:	London	Salary:	£35,000 pro rata depending on length of internship
Start date:	March 2008	Duration:	14 weeks

JPMorgan is the investment banking business of JPMorgan Chase, a leading global financial services firm which has assets of more than \$1.3 trillion and operations in more than 50 countries. We serve the interests of clients who have complex financial needs, whether they are major corporations, governments, private firms, financial institutions, non-profit organisations or even private individuals.

Rates Exotics & Hybrids Team Overview

Exotic derivatives, by their nature, are highly complex financial instruments that react in unusual ways to changing market conditions. It is key that team members can grasp the complex mathematical concepts behind these structures and also have an understanding of global financial markets. It is ultimately a client driven business and therefore an understanding of client needs is also important.
